Broward County Traffic advised that it was difficult to do as some of the traffic is north south traffic which they do not want to negatively impact. He addressed resident input that was made during the Sunshine Ranches HOA meeting the night before regarding the service provided by WastePro. Mayor McKay thanked residents in attendance for coming to the meeting.

Town Attorney Poliakoff advised that he had been in court several times recently regarding Waste Management and Bergeron's lawsuit. He advised that even though the Town was not a party to this lawsuit both parties are trying to determine why the Town made provisions to change its service provider to WastePro. Mayor McKay asked when the Town might be headed to trial with CCA. Town Attorney Poliakoff indicated the earliest would be sometime during the first quarter next year.

7. Administration Comments

Town Administrator Berns referred to a memo he distributed to the Town Council that documented swale damage throughout the Town. He felt that Council input was needed and wondered discussion during a meeting or a workshop was warranted. Council direction was to have a discussion item on this matter at a regular meeting in July.
