

At present  is expected to continue normal trash collection for area 3B. However, regular service may be interrupted this weekend due to the possible landfall of Hurricane Isaias.

Bulk collection for this week has concluded. Please do not put out any additional bulk until your next regularly scheduled bulk pickup day. To contact Waste Pro directly you can contact them at 954-967-4200 or request for service online at www.tracezonline.com
