A brief history of Labor Day

Labor Day is a day to acknowledge and pay tribute to the workforce for all they have done to make our Country prosperous and strong. The first Labor Day was celebrated in New York City and other cities followed this example in the following years. In 1894 Congress passed a law making the first Monday of September a legal holiday.
Mayor Doug McKay

Dear Residents,

It has been an absolute pleasure serving as your Mayor for the past four years. The November 3, 2020 election is just a few short months away. This Presidential election will be a critical moment affecting the future of our nation. Similarly, the election will be a critical moment for the future of our Town. If you are worried about voting in person, please request an absentee ballot now at https://www.browardsoe.org/Voting-Methods/Vote-By-Mail-Voting/Absentee-Ballot-Request-Form

It is critically important that you exercise your right to vote.

As most of you know, I have been a strong supporter of our Town's rural lifestyle and have worked tirelessly to help fellow residents on many issues. Many times, helping residents requires us to bridge the gap between individual property rights and governmental regulation. I pride myself on always being accessible and placing my personal cell phone in each of these newsletter articles. If I haven’t had the pleasure of speaking to you yet, I invite you to please call me so I can tell you some of the amazing things occurring in our Town.

If you weren’t able to attend our last budget workshop, you will be pleased to hear that the Town will be rolling back its millage rate to the lowest that it has been in five (5) years. Knowing that many of our residents have been impacted by Covid-19, it is my hope and desire to carry this reduction into 2021. By now you should have received your preliminary TRIM Notices. Although most of you will notice a reduction in the Town’s portion, this number will be reduced even further at our next budget hearing. Our entire Town Administration has done a phenomenal job helping to reduce our budget, and I am pleased to pass on these savings to our residents.

On another note, although we have been extremely fortunate so far this hurricane season, my heart goes out to the residents of Texas and Louisiana. There were a few storms that appeared to be heading towards our area and ultimately spared us. With several weeks left in Hurricane Season now is not the time to become complacent. Please review your family hurricane plan and ensure that you have adequate supplies. With a busier than normal hurricane season predicted we still have to stay vigilant.

If you haven’t completed your US Census please do so. The US Census will begin sending people throughout our community to gain responses from those who have yet to complete their questionnaire. If you do not want a Census worker at your house, please immediately fill out your Census form. Census data will be used over the next 10 years to make critical decisions about federal and state funding for local programs that our residents really need. It will also be used to determine congressional and state legislative representation. Please complete your Census today!

Finally, I wanted to remind you all to lock your car doors at night. We continue to hear about vehicle burglaries in Broward County and our Town is no exception. In a significant number of cases, homeowners simply leave their cars unlocked and even more mind-boggling they are leaving their key fobs in the vehicle! Davie Police urges our residents to adopt a 9:00 pm routine to remind yourself to lock your car doors and remove valuables from your vehicles. Adopting this routine can help protect your valuables.

As always, please call me on my cellular at 954-274-6988 if there is any issue I can help you with.

It has been an absolute pleasure and honor serving you.

Your Mayor,
Doug McKay

Council Member
Bob Hartmann

It's always wonderful to learn about people in our Town who do selfless things for our community. A person I have written about before, continues doing important things for our community. Madison Sullivan and the West Broward High School Gap Club are organizing an activity for you to meet the candidates running for office in our Southwest Ranches election. Please join your fellow residents and virtually attend Meet the Candidates night on September 15th, at 7 PM. A link for the zoom meeting will be available in advance on the Town website. The candidates will answer questions submitted by SWR residents in advance. To submit, please send your questions by September 4th to swrmaddie@gmail.com. The candidates will have the opportunity to make an opening and closing statement. They will have 2 minutes to respond to your questions.

Thank you to Madison and the team of WBHS students for producing this important event during these challenging times. And Madison, keep up the great work!

The candidates will have the opportunity to make an opening and closing statement. They will have 2 minutes to respond to your questions.

Please know that we, the Town Council, along with our entire administration, are working with our colleagues in neighboring jurisdictions, our county, state and congressional elected officials, and our volunteers and associations to identify needs, resources, and services for our community, and to ensure the health and safety of all Southwest Ranches residents.

The COVID-19 issue in Broward seems to be improving. Two new coronavirus testing sites opened in Broward County, mid-August, as a downward trend in positive cases continues. There are 18 sites across Broward run by the county. County parks across Broward are transforming into clinics. The numbers in Broward County appear to be leveling out, with the positivity rate currently just under 10 percent. Broward County leaders believe more testing and more answers will mean more people can isolate and stop spreading the virus.

The good news is welcomed, our numbers are going in the right direction, but don’t become complacent or comfortable and do not let your guard down. Keep wearing a mask, washing hands, keeping social distance, and staying home when possible.

This pandemic is the greatest challenge our community has faced in this generation, but I am confident we will weather this storm because we are a community where folks care for each other, and we are a Town that works together to be better together.

Thank you for allowing me to serve as your Council Member. I look forward to continuing to work with you all.

Fill for horse stalls does not require a fill permit. In addition, a permit may not be required if a small amount of sand is required to replenish a horse arena. However the Town recommends that a property owner or leasee contact our office to assure that the type of work being performed falls under this criteria prior to performing the work. A phone call to us will help prevent a possible warning from Code Enforcement and double fees when it comes to acquiring the required permit.

In furtherance of the Town’s goal of preserving its rural lifestyle, the Town Council has given residents a simpler mechanism to build a barn that is in compliance with Florida statutory requirements. As such, the Town contracted with an architect who agreed to create a prototype barn drawing, in compliance with the Florida Building Code, which can be permitted for residents throughout the Town. The plans are for a three stall barn with a tack room.

A Town resident looking to build a barn can simply purchase a pre-drafted architectural plan from the Town, which they then can submit, at a reduced cost, and on an expedited basis, to get a permitted barn that will be in compliance with both state and local regulations.

Please call or email Emily Aceti for more information: eaceti@swranches.org.

BROWARD TAKES THE “BITE” OUT OF MOSQUITO SEASON

Spring and summer brings frequent heavy rain to Broward County, and rain brings mosquitoes. Mosquitoes are not only annoying, they can be a public health issue. The County Biologist regularly traps mosquitoes, separates them by species and detects any potential viruses. Findings will determine the chemical application to be used and the type of treatment required.

THREE WAYS TO REQUEST SERVICE:
• Use the Mosquito Service Request Form   • Call 311   • 954-831-3940 (TTY for hearing impaired)

BULK RULES

• AVOID A FINE OF $500.00 - Bulk cannot be placed out earlier than the Saturday prior to your scheduled bulk pick up date.
• AVOID A FINE OF $500.00 - Landscaper or Contractor generated waste on your property must be removed by that vendor for disposal.
• Bulk Piles over-the-limit of 12 Cubic Yards per household will be picked up and the vendor will bill the resident the additional yardage at the rate of $17.50 per cubic yard.

PLEASE REMEMBER THAT 12 CUBIC YARDS IS EQUIVALENT TO THE SIZE OF A VOLKSWAGEN BEETLE (APPROXIMATELY 8 FEET WIDE BY 14 FEET LONG AND 4 FEET TALL).

If you have a request or complaint, please click on the Waste Pro button on our website: www.southwestranches.org or call: (954) 967-4200.
